Re: Notice of *Ex Parte* Communication, MB Docket No. 18-119

Dear Ms. Dortch:

On June 7, 2018, Larry Walke, David Layer and the undersigned of the National Association of Broadcasters (NAB) met with Albert Shuldiner, James Bradshaw, Lisa Scanlan and Christine Goepp of the Media Bureau regarding the Notice of Proposed Rulemaking in the above-captioned proceeding.<sup>1</sup>

During this meeting, NAB sought clarification of certain proposals raised in the Notice. Specifically, we sought further insight into the Commission's proposal to establish an outer contour limit for an FM station claiming that it is being interfered with by a translator beyond which listener complaints would not be considered actionable.<sup>2</sup> NAB also inquired about what information or data might be helpful to the Bureau's consideration of the Notice.

Respectfully submitted,

General Counsel and Executive Vice President
